WHO ARE WE?

INPRO is an international association, established in 2014 in Rzeszów, the capital city of Podkarpackie region of Poland. It was funded by a group of international friends whose paths crossed during the implementation of shared initiatives.

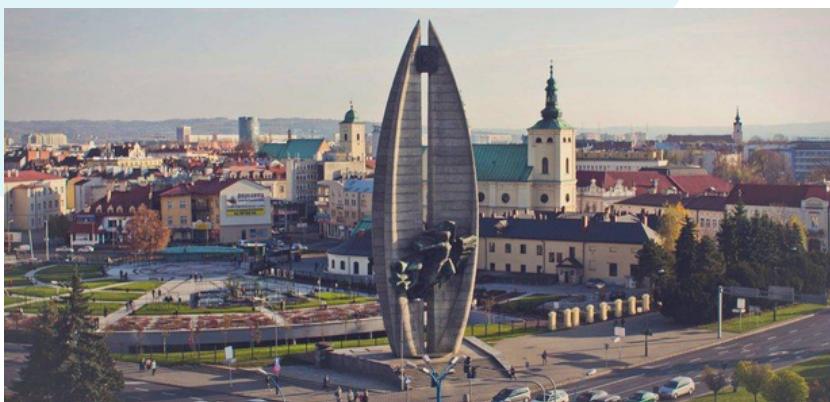

Our mission is to make people believe that international initiatives bring added value and progress to the development of a community.

Every year, we host between 65-80 European volunteers as well as organize international mobility programs for 350-500 youth and youth workers. We are specialized in youth exchanges, training courses, vocational traineeship projects, and short and long-term volunteering within the European Solidarity Corps programme.

RZESZÓW? WHERE IS IT?

Rzeszów is the largest city in southeastern Poland, with a population of 198,608 by 2021. It is located on both sides of the Wisłok in the heartland of the Sandomierska Valley. The city, which was granted a town charter in 1354, has been the capital of the Podkarpackie Voivodeship since 1999, and is also the seat of Rzeszów County.

Even if it is the biggest city in southeastern Poland, Rzeszów is a small, charming city. "Walking" will be your closest friend while exploring the city from one point to another.
